

Ovela Template Help:

The file you see is the configuration and usage guide for the Ovela template module. This document aims to explain the steps in a simple and clear manner, with pictures.

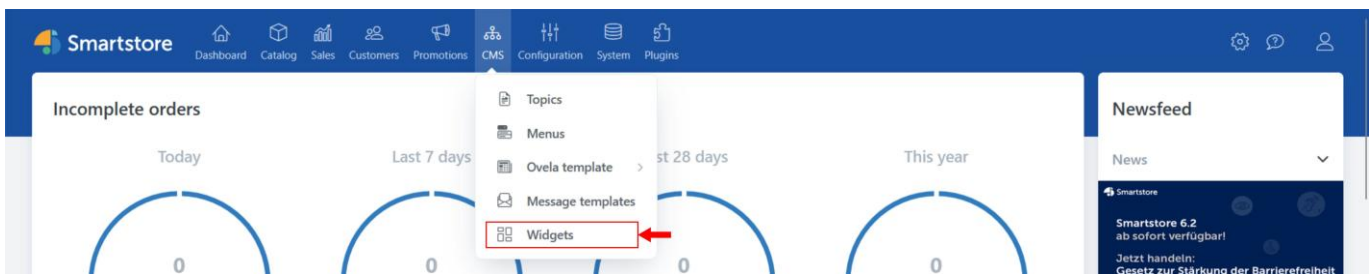

Please follow along with us:

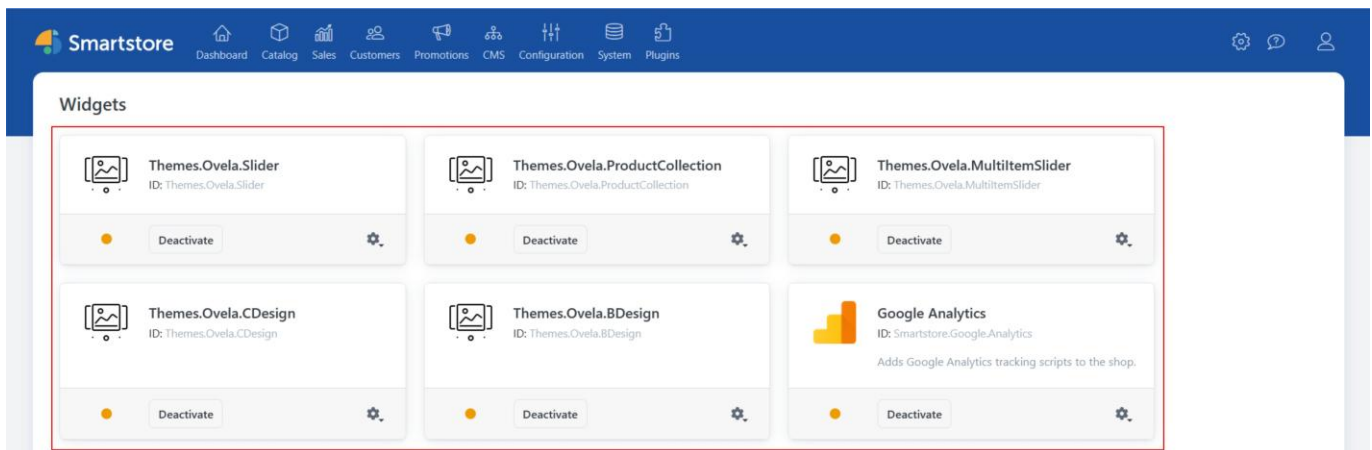

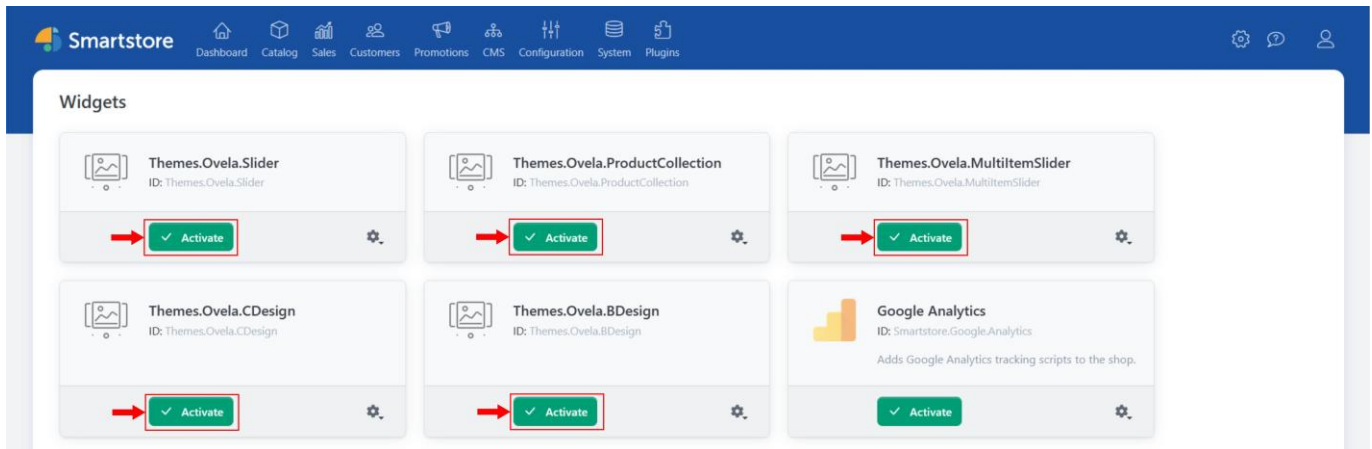

After installing the template module Ovela, go to the admin panel and proceed as shown in the image:

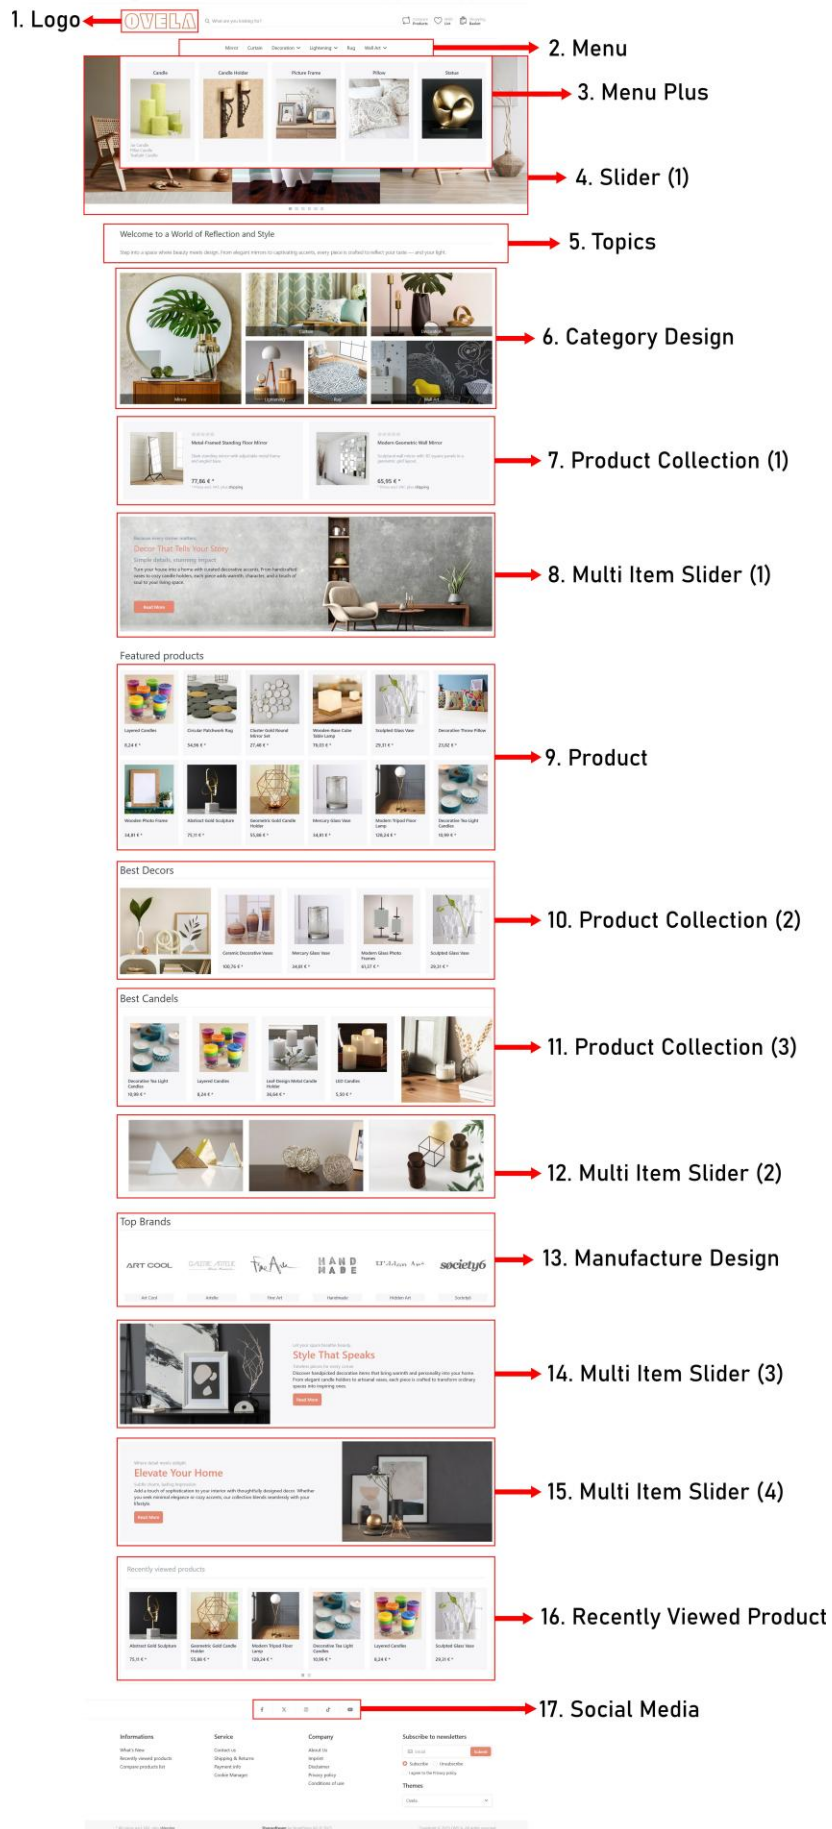

Now, follow the images below for active widgets and using the modules:

Now that the template is installed and all the modules are ready, you need to add your information to the template. In the image below, all the sections of the template we have prepared are highlighted separately.

For an explanation of each section, refer to the corresponding section:

1. logo:

In this section, you can upload your desired logo. The logo dimensions can be approximately as follows: a width of around 300 pixels and a height of around 80 pixels.

Follow these steps the Admin Panel to add your personal logo:

The image shows two screenshots of the Smartstore Admin Panel. The top screenshot shows the 'Configuration' menu with 'Stores' highlighted, indicated by a red arrow and the number '1'. The bottom screenshot shows the 'Stores' table with a red box around the 'Store name' column and a red arrow pointing to the number '2'.

At the bottom of the table, it says 'Displaying items 1-6 of 6' and '25 per page'.

The screenshot shows the 'Category design' edit form. The form includes fields for 'Is active', 'External Link', 'Picture', 'Display Order', 'Widget Zone', 'Skin Template', and 'Limited to stores'. The 'Save' button is highlighted with a red box and an arrow labeled '6'. The 'Category Name' field is set to 'Mirror' and is highlighted with a red box and an arrow labeled '3'. The 'Picture' field shows a preview of a mirror image and is highlighted with a red box and an arrow labeled '4'. The 'Widget Zone' field is set to 'home_page_after_intro' and is highlighted with a red box and an arrow labeled '5'.
