

Parfyma Template Help:

The file you see is the configuration and usage guide for the Parfyma template module. This document aims to explain the steps in a simple and clear manner, with pictures.

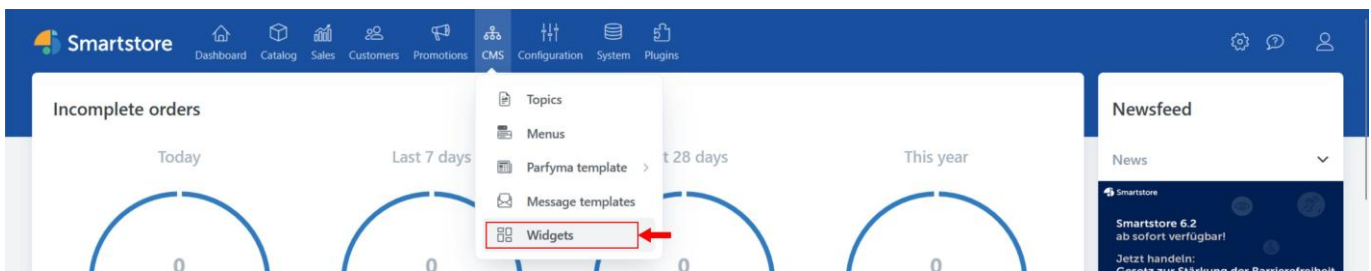

Please follow along with us:

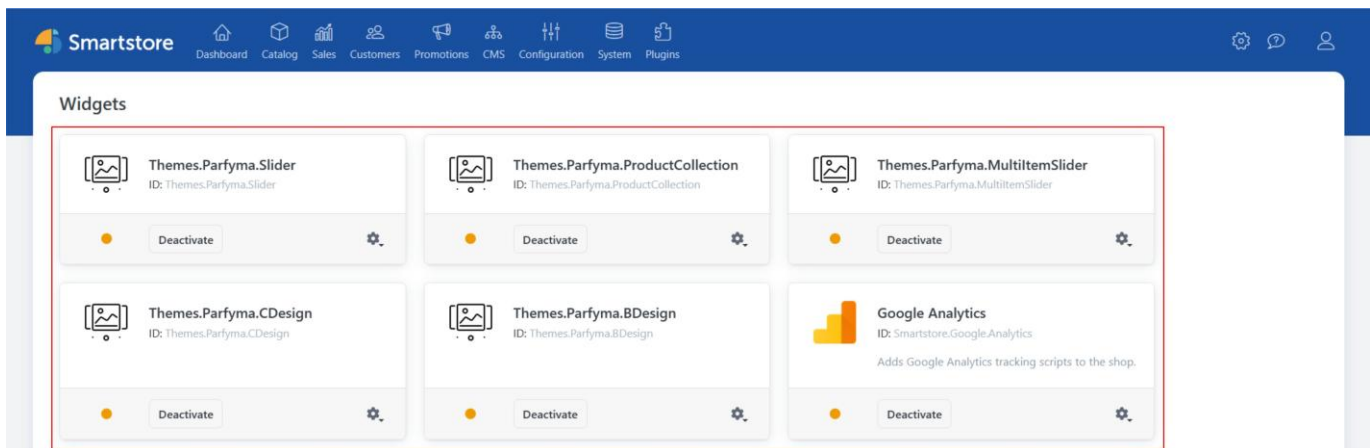

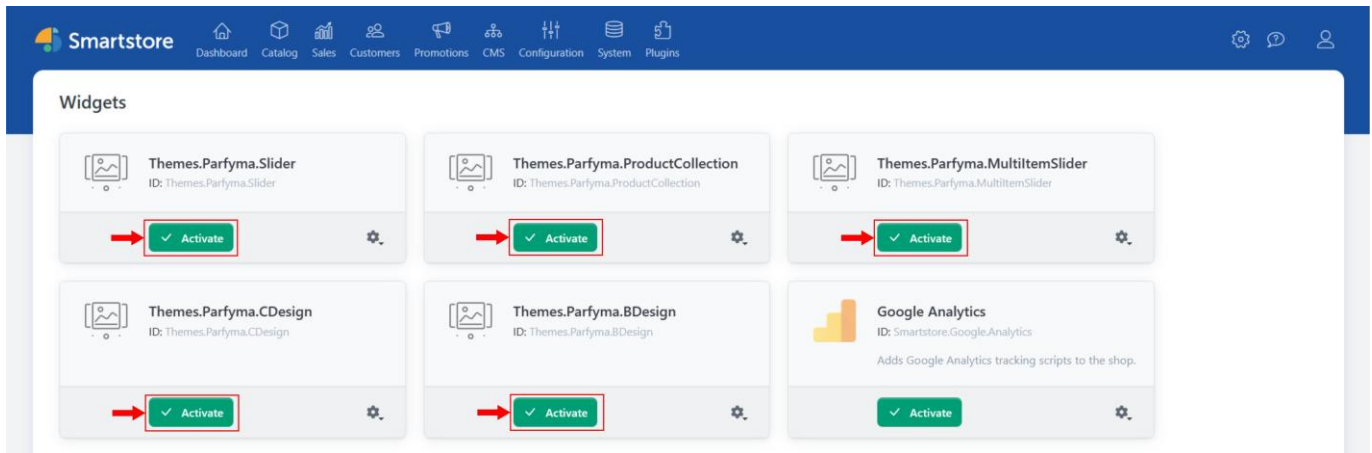

After installing the template module Parfyma, go to the admin panel and proceed as shown in the image:

Now, follow the images below for active widgets and using the modules:

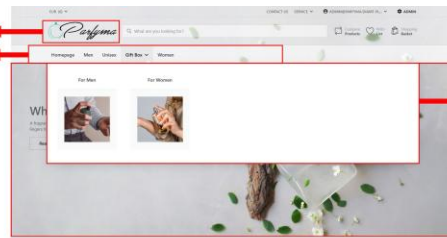

Now that the template is installed and all the modules are ready, you need to add your information to the template. In the image below, all the sections of the template we have prepared are highlighted separately.

For an explanation of each section, refer to the corresponding section:

1. Logo
2. Menu

3. Menu Plus

4. Multi Item Slider (1)

5. Category Design

6. Multi Item Slider (2)

7. Multi Item Slider (3)

8. Product

9. Slider (1)

10. Multi Item Slider (4)

11. Product Collection

12. Recently Viewed Product

13. Slider (2)

14. Social Media

1. logo:

In this section, you can upload your desired logo. The logo dimensions can be approximately as follows: a width of around 300 pixels and a height of around 80 pixels.

Follow these steps the Admin Panel to add your personal logo:

The image shows two screenshots of the Smartstore Admin Panel. The top screenshot shows the 'Configuration' menu with 'Stores' highlighted, indicated by a red arrow and the number '1'. The bottom screenshot shows the 'Stores' list with a table containing one entry, 'parfyma', which is highlighted by a red box and a red arrow with the number '2'.

Stores List:

Store name	Shop URL	HOST values	Content Delivery Netw...	Require HTTPS	Display order ↑
parfyma	https://parfyma.smart-plugins.com/	yourstore.com www.yourstore.com		✓	1

2. Menu:

To add a category and its subcategories, use the link below:

<https://smartstore.atlassian.net/wiki/spaces/SMNET50/pages/1956119658/Organizing+Product+Categories>

3. Menu Plus:

"**Menu Plus**" can be activated whether you have already created a category or intend to create a new one. To activate **Menu Plus**, follow these steps:

Smartstore Dashboard Overview

Navigation: Dashboard, Catalog, Sales, Customers, Promotions, CMS, Configuration, System, Plugins

Incomplete orders: Today, Last 7 days, This year

Newsfeed: Smartstore 6.2 ab sofort verfügbar!

Configuration Menu: Topics, Menus, Parfyma template, Message templates, Widgets, Slider, Category design, Manufacturer design, Product Collection, Multi Item Slider, Menu Plus

Menu Plus is highlighted with a red box and a red arrow pointing to it.

Configure - Smartstore template Parfyma

Save, Update resources

This Plugin will mainly be configured in category administration area. For this purpose there is a *Menu Plus* tab in configuration view of a category in which every menuplus dropdown element can be configured individually. Settings which have a global scope can be configured in the configuration view of the plugin.

Is active: ☐ (highlighted with a red box and a red arrow pointing to it)

Configure - Smartstore template Parfyma

Save, Update resources

This Plugin will mainly be configured in category administration area. For this purpose there is a *Menu Plus* tab in configuration view of a category in which every menuplus dropdown element can be configured individually. Settings which have a global scope can be configured in the configuration view of the plugin.

Menu minimum height: 0 Pixel

Brand Dropdownmenu

Display "Brand" menu: ☐

Smartstore Dashboard Overview

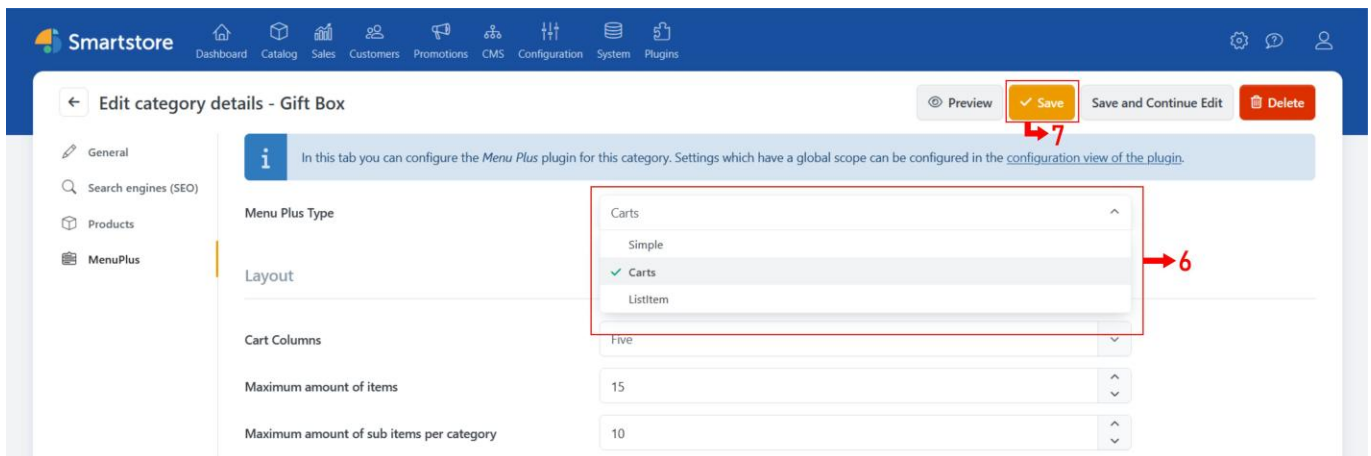

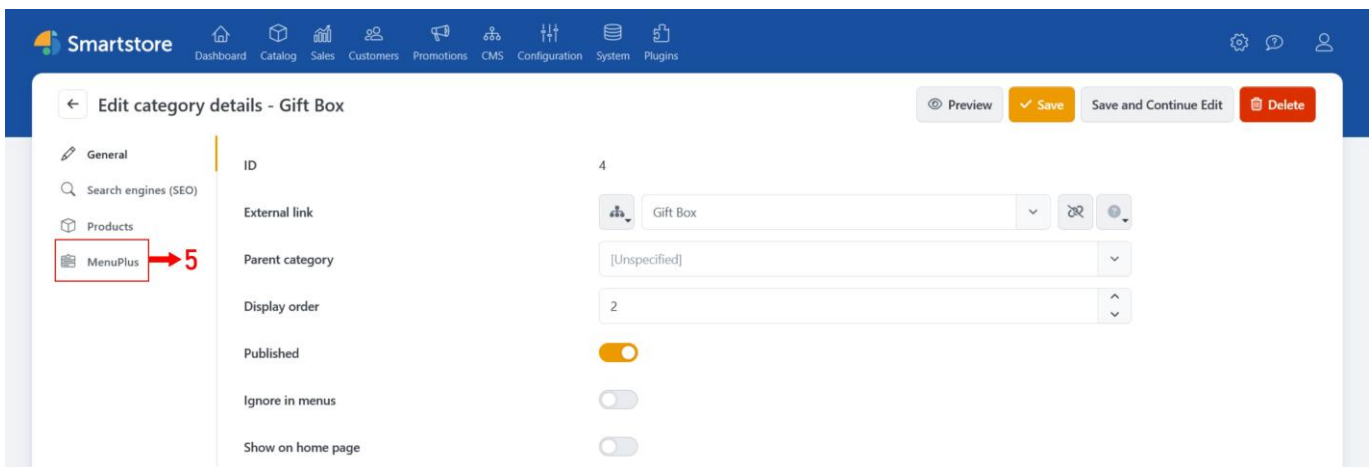

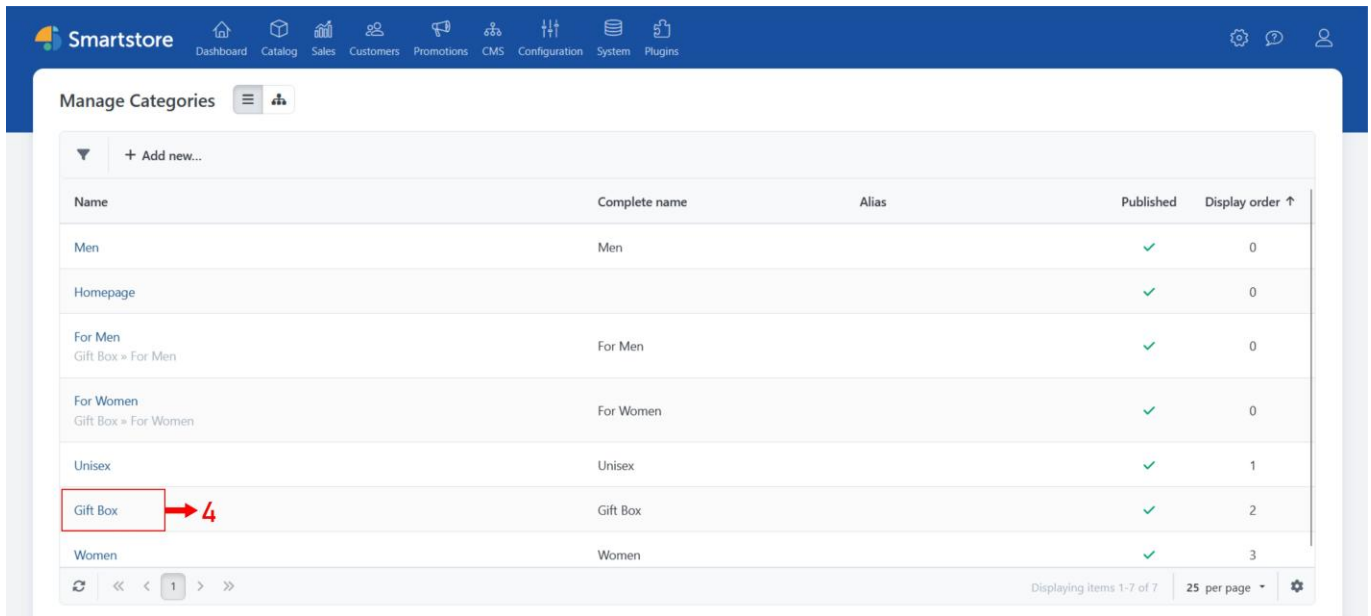

Navigation: Dashboard, Catalog, Sales, Customers, Promotions, CMS, Configuration, System, Plugins

Incomplete orders: Today, Last 28 days, This year

Newsfeed: Smartstore 6 Release Highlights

Configuration Menu: Categories, Manage products, Product reviews, Manufacturers, Product tags, Low stock report, Recycle bin, ATTRIBUTES, Product Attributes, Specification Attributes, Checkout Attributes

Categories is highlighted with a red box and a red arrow pointing to it.

As you can see in the image in Step 4, Menu Plus has three options. The first option displays a simple dropdown menu, the second creates a card layout, and the third creates an itemized layout. You can also change the number of cards and items according to your preference and needs from the options below.

* Brand or Manufacturers MenuPlus:

If you have added a brand or Manufacturers to your template and want it to appear as a menuplus in the main menu, follow the steps below:

The first screenshot shows the Smartstore CMS dashboard. The 'CMS' menu is open, and the 'Menu Plus' option is highlighted with a red box and a red arrow labeled '1'. The dashboard includes sections for 'Incomplete orders' (Today: \$0.00, Last 7 days: \$0.00, This year: \$0.00) and a 'Newsfeed' on the right.

The second screenshot shows the 'Configure - Smartstore template Parfyma' page. The 'Is active' toggle is turned on, highlighted with a red box and a red arrow labeled '2. Enable this option'. Below this, the 'Brand Dropdownmenu' section has four dropdown menus: 'Brand link placement' (set to 'Prepend to Menu'), 'Sort order for textual links' (set to 'Alphabetical'), 'Brand Columns' (set to 'Six Columns'), and 'Amount of rows' (set to 'Two rows'). These four dropdowns are grouped by a red box and a red arrow labeled '3. More setting'. At the top right of the configuration page, there is a 'Save' button (highlighted with a red box and a red arrow labeled '4') and an 'Update resources' button.

4. Multi Item Slider (1):

To create this multi-item slider, follow the steps below:

Smartstore Dashboard Catalog Sales Customers Promotions CMS Configuration System Plugins

The size of the image used in this multi-item slider is 1920 * 1000 pixels.

5. Category Design:

When you add a category, you can display it on the homepage by activating a button.

The image shows two screenshots from the Smartstore dashboard. The top screenshot shows the 'Categories' menu in the 'Catalog' section, with a red box and arrow labeled '1' pointing to the 'Categories' option. The bottom screenshot shows the 'Manage Categories' table, with a red box and arrow labeled '2' pointing to the 'Gift Box' category.

Smartstore Dashboard Screenshot 1:

The dashboard shows the 'Catalog' menu with a red box and arrow labeled '1' pointing to the 'Categories' option. The 'Categories' menu is expanded, showing options like 'Manage products', 'Product reviews', 'Manufacturers', 'Product tags', 'Low stock report', 'Recycle bin', 'Product Attributes', 'Specification Attributes', and 'Checkout Attributes'.

Smartstore Dashboard Screenshot 2:

The 'Manage Categories' table is shown. The table has columns: Name, Complete name, Alias, Published, and Display order. The 'Gift Box' category is highlighted with a red box and arrow labeled '2'.

The size of the images used in this multi-item slider are as follows:

Smaller image: 750 * 700 pixels

Larger image: 850 * 750 pixels.

8. Product:

To add a product, use the link below:

<https://smartstore.atlassian.net/wiki/spaces/SMNET50/pages/1956119693/Managing+Products>

9. Slider (1):

To create this slider, follow the steps below:

The screenshot shows the Smartstore CMS interface. The top navigation bar includes links to Dashboard, Catalog, Sales, Customers, Promotions, CMS, Configuration, System, and Plugins. The main content area displays 'Incomplete orders' with three circular progress indicators for 'Today', 'Last 7 days', and 'This year', each showing '\$0.00'. A dropdown menu is open under the 'CMS' tab, showing options like Topics, Menus, Parfyma template, Message templates, and Widgets. The 'Slider' option is highlighted, and a red arrow points to it with the number '1'. Below this, a table lists available skin templates. The 'Add new...' button is highlighted with a red box and a red arrow with the number '2'.
