

Beauty Template Help:

The file you see is the configuration and usage guide for the Beauty template module. This document aims to explain the steps in a simple and clear manner, with pictures.

Please follow along with us:

After installing the template module Beauty, go to the "Modules" folder and then enter "SmartPlugins.Themes.Beauty" folder.

Then run the "create-deployed-symlinks" file.

Name	Date modified	Type	Size
App_Data	4/24/2025 7:10 PM	File folder	
Localization	4/24/2025 7:10 PM	File folder

Now, follow the images below for active widgets and using the modules:

Now that the template is installed and all the modules are ready, you need to add your information to the template. In the image below, all the sections of the template we have prepared are highlighted separately.

For an explanation of each section, refer to the corresponding section:

1. logo:

In this section, you can upload your desired logo. The logo dimensions can be approximately as follows: a width of around 300 pixels and a height of around 80 pixels.

Follow these steps the Admin Panel to add your personal logo:

The image shows two screenshots of the Smartstore Admin Panel. The top screenshot displays the 'Configuration' menu with 'Stores' highlighted, indicated by a red arrow and the number '1'. The bottom screenshot shows the 'Stores' table with a row for 'Beauty' highlighted, indicated by a red arrow and the number '2'.

2. Menu:

To add a category and its subcategories, use the link below:

<https://smartstore.atlassian.net/wiki/spaces/SMNET50/pages/1956119658/Organizing+Product+Categories>

3. Menu Plus:

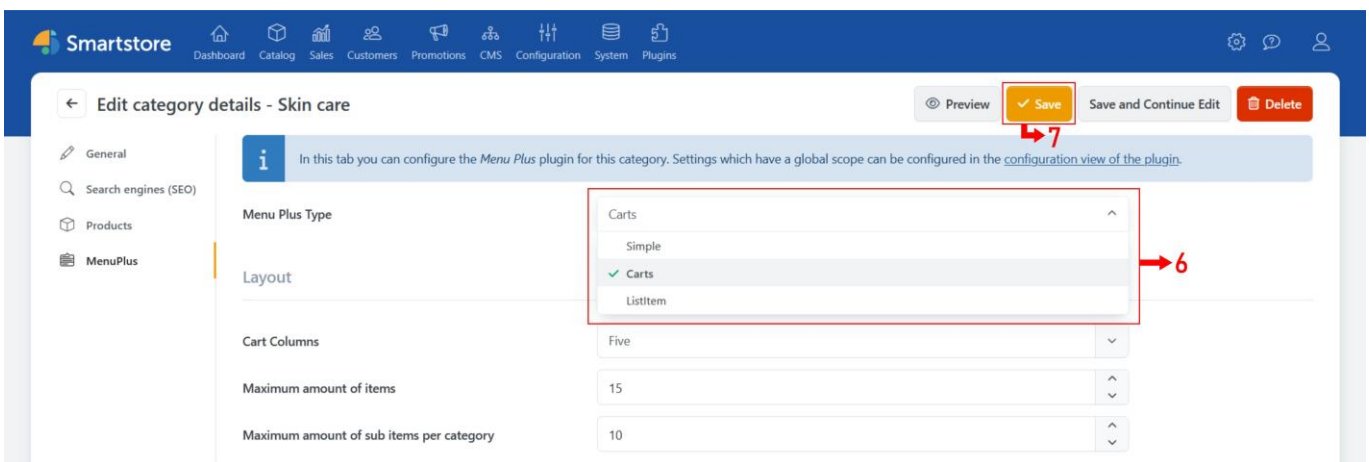

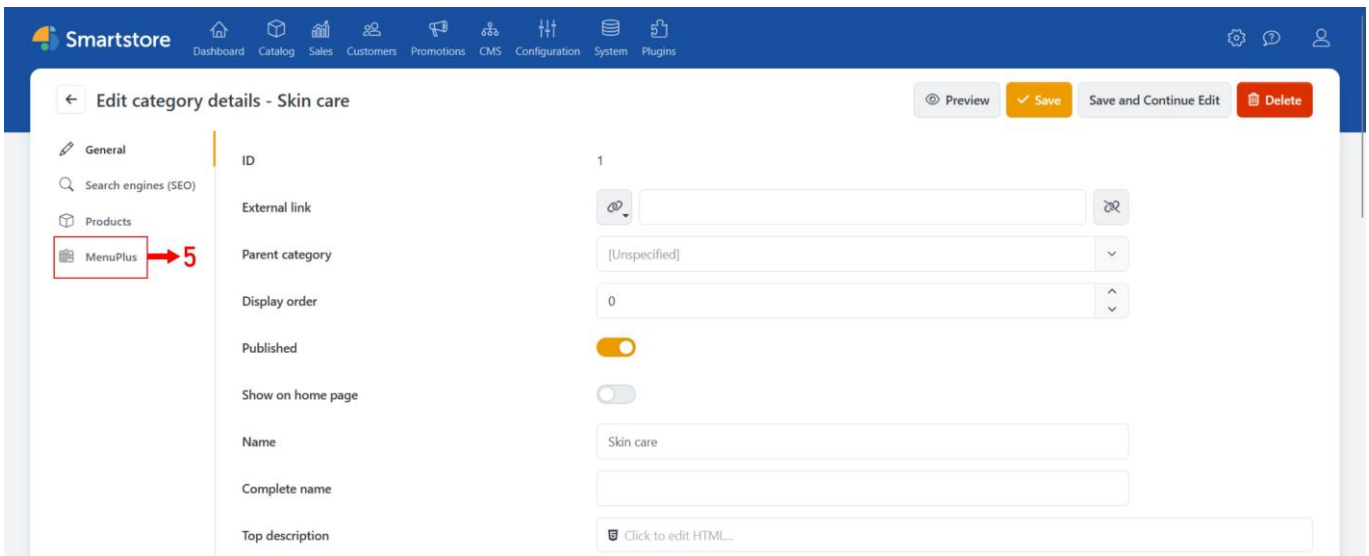

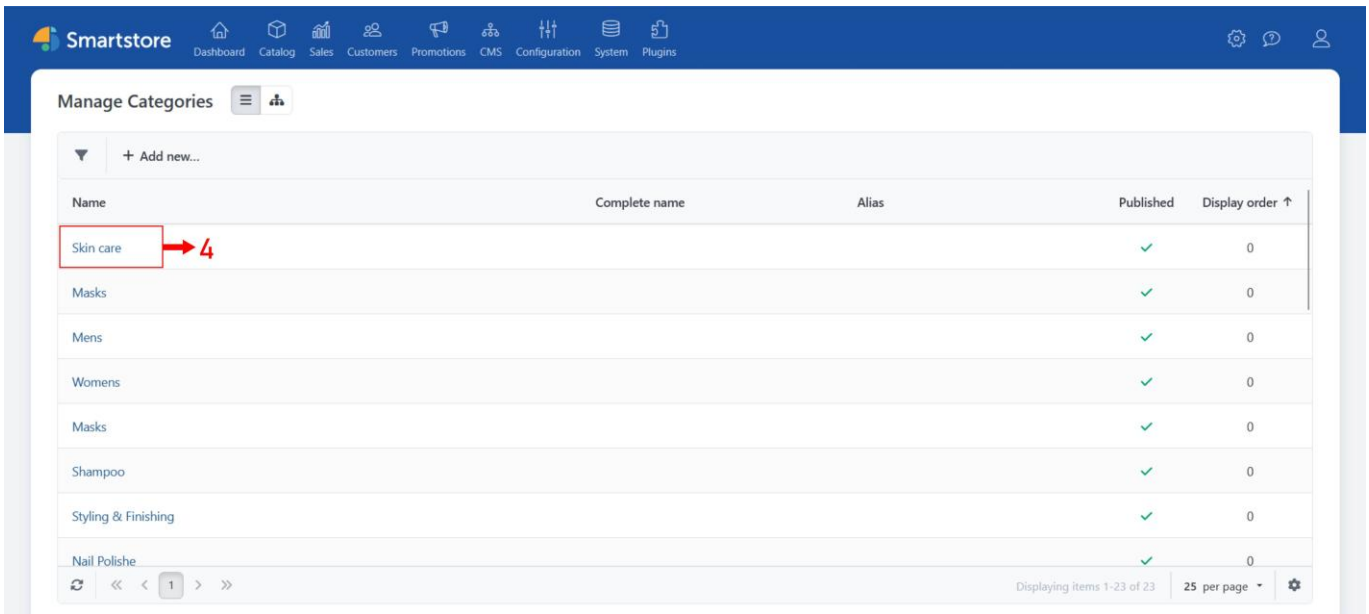

"**Menu Plus**" can be activated whether you have already created a category or intend to create a new one. To activate **Menu Plus**, follow these steps:

Smartstore Dashboard: Incomplete orders (Today, Last 7 days, This year) all show \$0.00. A navigation menu is open over the 'CMS' tab, showing options: Topics, Menus, Beauty template, Message templates, Widgets, Slider, Category design, Manufacturer design, Product Collection, Multi Item Slider, and Menu Plus. A red arrow points to 'Menu Plus'.

Smartstore Configuration: Configure - Smartstore template Beauty. Information: This Plugin will mainly be configured in category administration area. For this purpose there is a Menu Plus tab in configuration view of a category in which every menuplus dropdown element can be configured individually. Settings which have a global scope can be configured in the configuration view of the plugin. Is active: (highlighted with a red box and arrow labeled '2').

Smartstore Configuration: Configure - Smartstore template Beauty. Information: This Plugin will mainly be configured in category administration area. For this purpose there is a Menu Plus tab in configuration view of a category in which every menuplus dropdown element can be configured individually. Settings which have a global scope can be configured in the configuration view of the plugin. Is active: (highlighted with a red box and arrow). Menu minimum height: 0 Pixel. Brand Dropdownmenu: [empty]. Display "Brand" menu: .

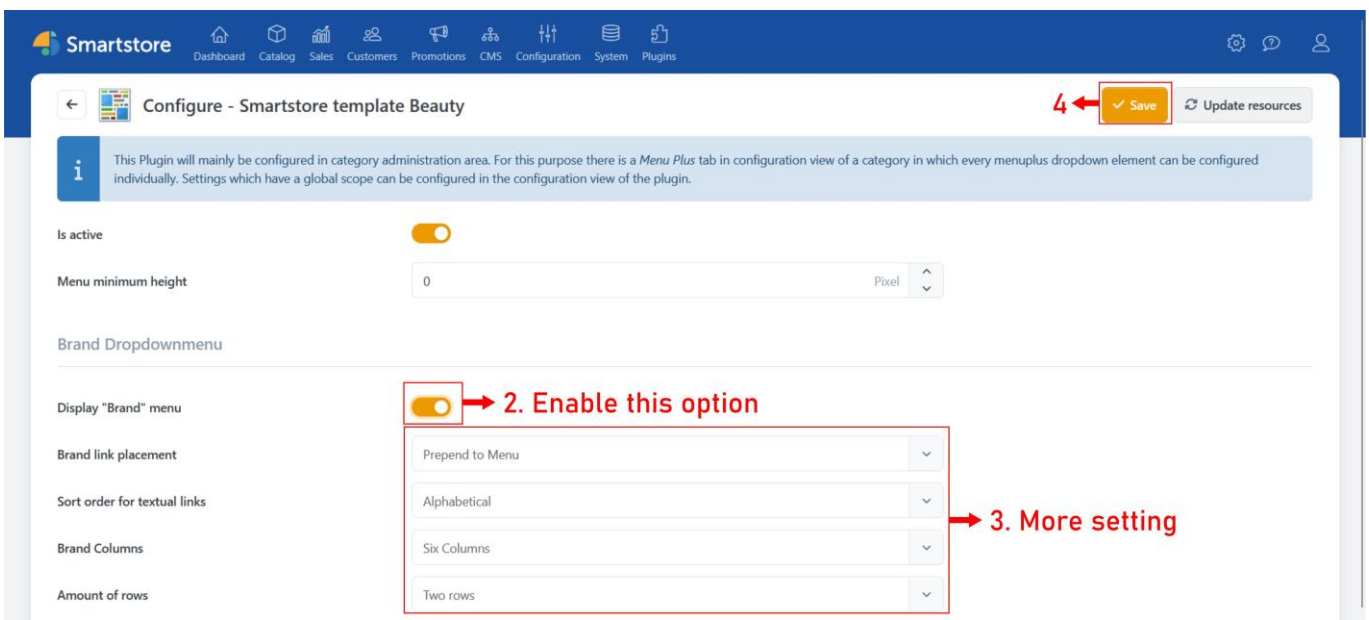

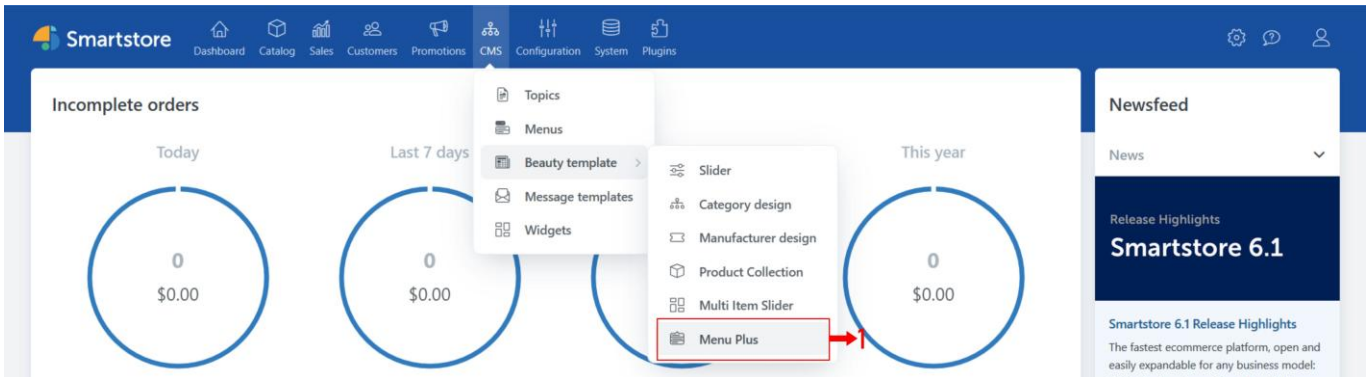

Smartstore Dashboard: Incomplete orders (Today, Last 28 days, This year) all show \$0.00. A navigation menu is open over the 'CMS' tab, showing options: Categories, Manage products, Product reviews, Manufacturers, Product tags, Low stock report, Recycle bin, ATTRIBUTES, Product Attributes, Specification Attributes, and Checkout Attributes. A red arrow points to 'Categories' (labeled '3'). Orders: \$0.00. Newsfeed: Smartstore 6.1 Release Highlights.

As you can see in the image in Step 4, Menu Plus has three options. The first option displays a simple dropdown menu, the second creates a card layout, and the third creates an itemized layout. You can also change the number of cards and items according to your preference and needs from the options below.

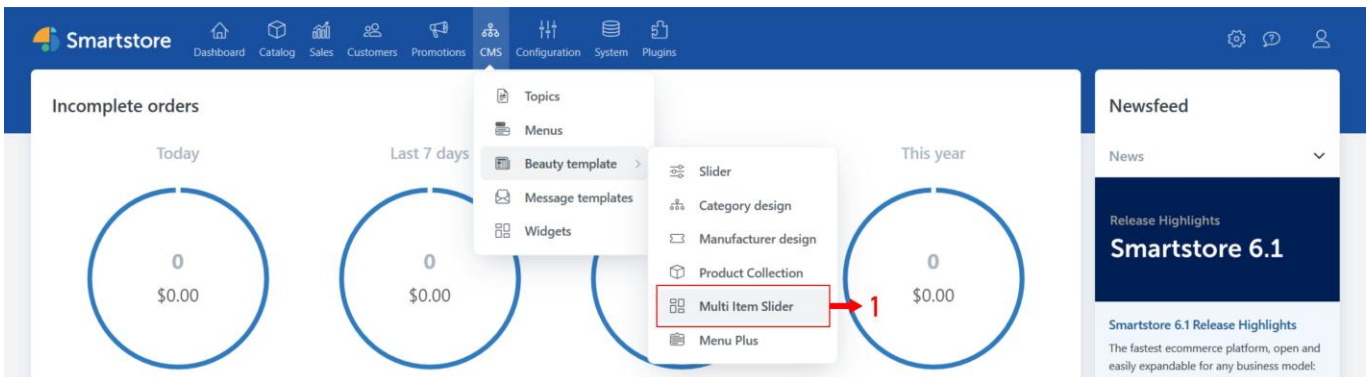

* Brand or Manufacturers MenuPlus:

If you have added a brand or Manufacturers to your template and want it to appear as a menuplus in the main menu, follow the steps below:

4. Multi Item Slider (1):

To create a multi-item slider, follow the steps below:

8. select your image

9. Write your title, tagline, intro or text.

10. Add your button

The size of the images used in this multi item slider of this template is 1920 * 600 pixels.

5. Multi Item Slider (2):

To create a multi-item slider, follow the steps below:

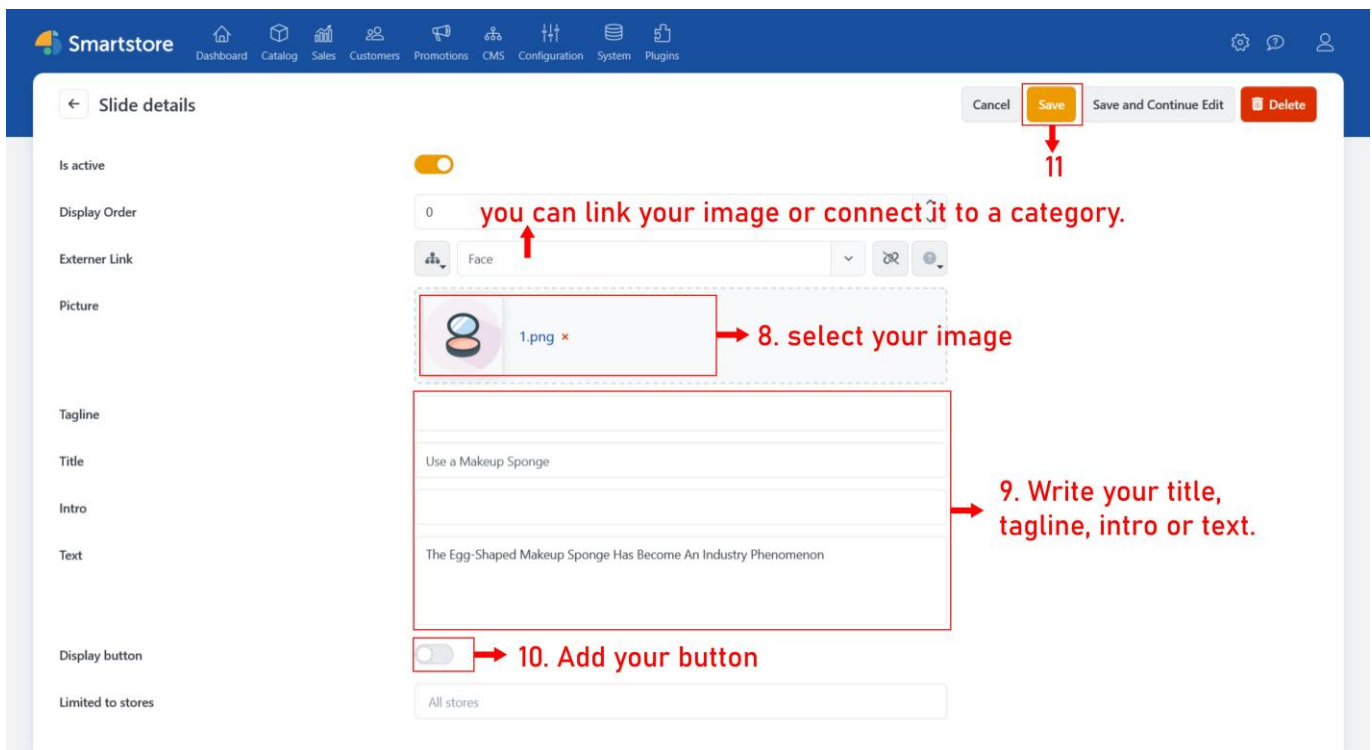

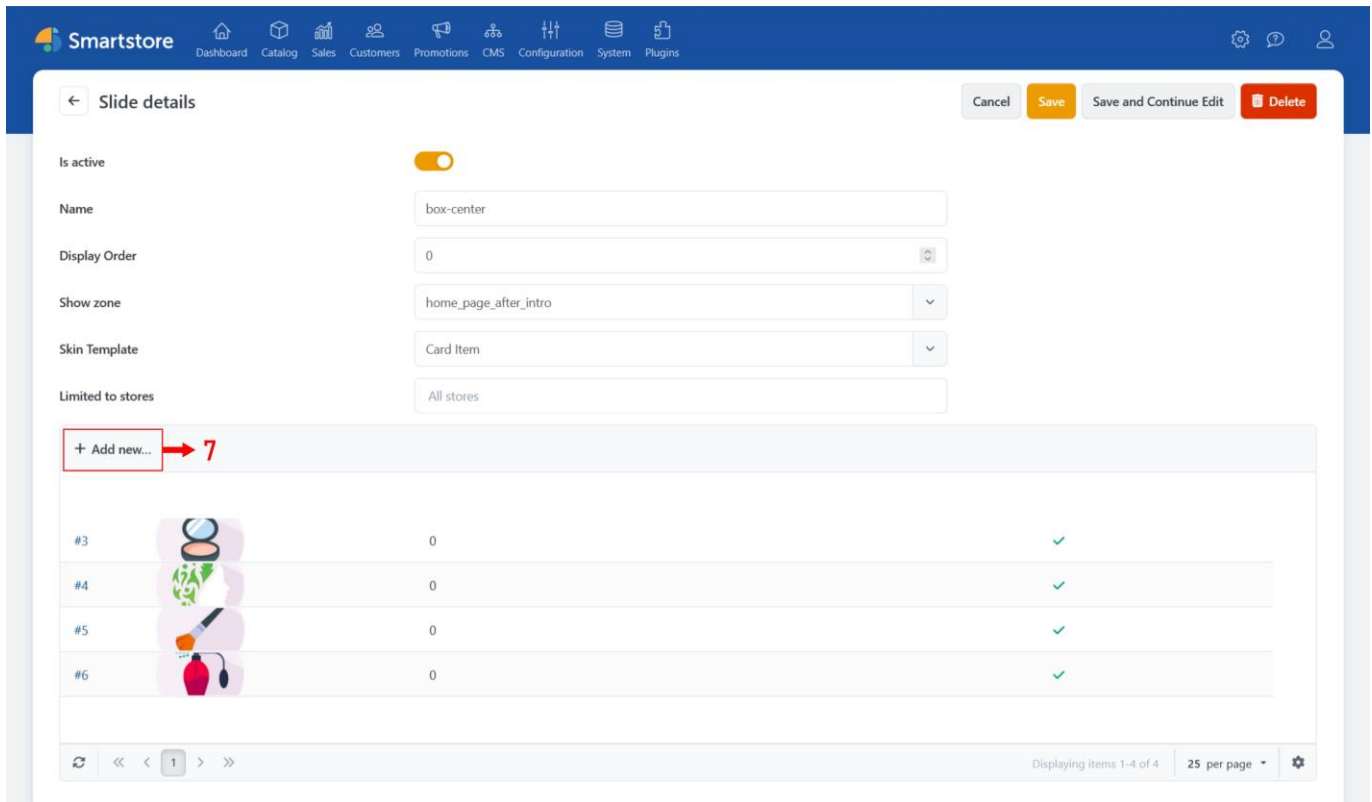

The dashboard shows three circular gauges for 'Incomplete orders' with values of 0 and \$0.00 for 'Today', 'Last 7 days', and 'This year'. A dropdown menu is open over the 'Last 7 days' gauge, showing a hierarchy: 'Beauty template' > 'Multi Item Slider'. A red box highlights 'Multi Item Slider' with a red arrow labeled '1' pointing to it.

A table listing widget configurations. A red box highlights the '+ Add new...' button with a red arrow labeled '2'.

Id	Skin Template	Name	Show zone	Display Order ↑	Is active	
#2	Default	main slider	content_before	0	✓	...
#3	CardItem	box-center	home_page_after_intro	0	✓	...
#6	CardItem	threeitem	home_page_after_tags	0	✓	...

At the bottom right, it says 'Displaying items 1-3 of 3' and '25 per page'.

The 'Slide details' form has several fields. A red box highlights the 'Save and Continue Edit' button at the top right with a red arrow labeled '6'. The 'Name' field has a red box with the text 'Add your name' and a red arrow labeled '3'. The 'Show zone' dropdown is set to 'home_page_top' with a red box and a red arrow labeled '4'. The 'Limited to stores' dropdown is set to 'Card Item' with a red box and a red arrow labeled '5'. A yellow banner at the bottom contains the text 'Plugins.SmartPlugins.MultitemSlider.SaveBeforeAdd' and a 'Save and Continue Edit' button.

The size of the images used in this multi item slider of this template is 150 * 150 pixels.

6. Category Design:

When you add a category, you can display it on the homepage by activating a button.

When you add manufacturers, they will automatically appear on the main page of your template.

However, if you want the manufacturers to be displayed using the manufacturer module, you need to disable the previous display. To disable the previous display, follow these steps:

The image shows the Smartstore dashboard. The top navigation bar includes: Smartstore, Dashboard, Catalog, Sales, Customers, Promotions, CMS, Configuration, System, and Plugins. A settings menu is open, with a red box around the 'Settings' option and a red arrow labeled '1' pointing to it. The main content area shows 'Incomplete orders' with three circular gauges for 'Today', 'Last 7 days', and 'This year', all showing '\$0.00'. A 'Newsfeed' section on the right features a 'Smartstore 6' release highlight.

The image shows the 'General settings' page in Smartstore. The left sidebar has a red box around the 'Catalog' option and a red arrow labeled '2' pointing to it. The main content area has tabs for 'General', 'SEO', 'Security', 'Localization', 'PDF', 'Company', 'Contact data', and 'Social networks'. Under the 'General' tab, there is a 'Store closed' toggle switch, 'DateTime settings' (including 'Default store time zone' set to '(UTC+03:30) Tehran' and 'Allow customers to select time zone' toggle), and 'Email Accounts' (including 'Default email account' set to 'Store name (test@mail.com)'). A 'Save' button is in the top right.

The image shows the 'Catalog settings' page in Smartstore. The left sidebar has a red box around the 'Catalog' option. The main content area has tabs for 'General', 'Product lists', 'Product detail', 'Customers', 'Manufacturers', and 'Prices'. Under the 'Manufacturers' tab, there are several settings: 'Display manufacturers on homepage' (toggle, red box, red arrow '4'), 'Amount of manufacturers to display on homepage' (input field '18'), 'Display manufacturers in offcanvas menu' (toggle), 'Amount of manufacturers to display in offcanvas menu' (input field '0'), 'Display manufacturer pictures in lists' (toggle), 'Hide default picture for manufacturers' (toggle), and 'Sort manufacturers alphabetically' (toggle). A red box around the 'Manufacturers' tab has a red arrow labeled '3' pointing to it. A 'Save' button is in the top right.

Smartstore Catalog settings - Manufacturers tab

- Display manufacturers on homepage: (highlighted with red box and arrow)
- Display manufacturers in offcanvas menu:
- Amount of manufacturers to display in offcanvas menu: 0
- Display manufacturer pictures in lists:
- Hide default picture for manufacturers:
- Sort manufacturers alphabetically:

Save button (highlighted with red box and arrow)

Now, to add manufacturers using the manufacturer display module, follow these steps:

Smartstore CMS Configuration - Widgets dropdown menu

- Manufacturer design (highlighted with red box and arrow)
- Product Collection
- Multi Item Slider
- Menu Plus

Smartstore CMS Configuration - Manufacturer display modules table
